

Dear Eeshwar,

I would like to formally and sincerely express my gratitude for the amazing work you accomplished for helping improve the security of Nylas.

Your security penetration testings and submissions around our websites are impressive and show exceptional strong technical skill and rich experience in the computer science field.

I want you to know that I value the amount of effort you have put into your work. You are significantly appreciated as a valuable security researcher.

Once again, thank you for your hard work. I look forward to seeing your future achievements and successes in your own life!

Sincerely,

Bo Pang
